

COOKIE POLICY

When you browse our Site, information may be recorded or read on your terminal. Subject to your choices, cookies may be deposited on your device. By device we mean any type of terminal used, such as a computer, a console, a smartphone, a reading device, etc. You can change the way these tools are deposited at any time.

This document informs you about the origin, type, quantity and purpose for which cookies are deposited on your device. If you would like more information about NEW IMMO HOLDING's use of personal data, please refer to the privacy policy available [here](#).

- **What is a Cookie :**

When you visit our site, information relating to your navigation on the site may be recorded in "cookies" files installed on your terminal. The deposit of these cookies is automatic because they are either necessary for the proper functioning of the site, or meet the conditions set by the CNIL.

For the purposes of this policy, the term "**Cookies**" will be used extensively for convenience, and covers all the tracers likely to be deposited and/or read via the Site, in particular when a page of the Site is consulted or a mobile application is installed (regardless of the terminal used: computer, smartphone, digital tablets, etc.), which make it possible to record information relating to the user of the Site or to his or her journey through the Site.

Cookies that allow the collection of information or are likely to deposit information on your terminal are only deposited if you give your consent. Only the sender of a cookie can read or modify the information contained in it.

Cookies will be issued and read as you browse the Site. You can choose at any time to express and modify your wishes regarding Cookies, by the means described in the paragraph "How to exercise your choices" below.

- **Why we use cookies on our site:**

When you connect to our Site, we may install various cookies on your terminal. Some cookies are deposited without your consent. These very specific cookies are identified as modules that are essential for the proper functioning of the site. In the same way, your browsing and the selection of certain services may lead us to deposit cookies on your device, this deposit is necessary for the delivery of this particular service. Finally, certain specific cookies for statistical purposes are also exempt from the requirement to obtain consent. These cookies must meet several characteristics set out by the CNIL.

In any case, NEW IMMO HOLDING does not deposit any cookies without prior consent if they do not meet the conditions set out above.

Cookies are used either for the duration of your visit to the site ("**session cookie**") or for several visits ("**persistent cookie**"). In any case, the **duration of the retention of this information does not exceed 13 months**.

Furthermore, with regard to Cookies, Cookies may be issued/read by third parties (advertising providers, communication agencies, audience measurement companies, etc.) when you browse our Site.

Cookies allow these third parties, during their period of validity, to determine and send you advertising content likely to correspond to your interests thanks to the knowledge of your navigation on our Site.

- **Your choices regarding cookies:**

The confidentiality of your terminal results from your choices.

- **The deposit of Cookies :**

When you connect, cookies will be placed on your terminal. The majority of these cookies do not collect any personal data. Statistical cookies may collect anonymised personal data and fall under the exemption from prior consent set out by the CNIL.

- **If the use of your terminal is shared by several people :**

As cookies are linked to the terminal and the browser, we cannot be sure of the identity of the person browsing the terminal. It is therefore possible that the services and advertisements offered to you on this terminal only partially correspond to your use (the browsing/preferences of other users of the terminal may be taken into account).

- **How to exercise your choices :**

In the event that you wish to change your initial choices, which were made via the dedicated banner appearing at the time of connection to the Site, you can, through the settings of your browser, carry out a certain number of actions enabling you to administer the Cookies, at any time and free of charge.

You can configure your browser so that cookies are stored in your terminal or, on the contrary, that they are rejected, either systematically or according to their sender.

You can also configure your browser software so that you are offered the option of accepting or refusing Cookies from time to time, before a Cookie is likely to be recorded in your terminal.

Finally, you have the possibility of deleting, at any time and without difficulty, some of the cookies used and deposited by our site, by means of your browser's parameterisation tool.

As the settings are specific to each browser, we suggest you follow the link below for your browser to learn more:
